LEGISLATIVE LETTER  
(Continued From Page 1.)

amending the inheritance tax law which provides that no tax be levied against bequests to religious, educational and charitable organizations.

The eight-hour working day for women was killed in the house by the adoption of an amendment for a nine-hour day and was adopted by a vote of 66 to 26. The bill was then placed on the informal calendar.

The bone dry bill endorsed by the Anti-Saloon League was up in the senate, but re-referred to committee. The committee sent it out without recommendation. It is probable that the bill will be redrawn and some of the more drastic features removed. The measure carries the search and seizure clause.

The house has engrossed a bill requiring girls under 15 to secure consent for marriage from the circuit or probate court in addition to that of their parents. The age of majority for women is increased from 18 to 21 years in another measure.

The use of country school houses for public meetings will be available in the event of a measure which provides that they "shall" instead of "may" be used for such purposes, passes.

A new disqualification for voters will be written into the statutes of Missouri, if the bill engrossed in the senate without opposition is enacted. Young's measure amends section 5800 of the Revised Statutes, dealing with the qualification of voters, by adding to the qualifications carried in the section conscientious objectors, persons guilty of espionage under the laws of the United States, persons who have evaded military or naval service in any branch of the army or navy, by fraud, perjury or absenting himself, or may have aided or abetted any other person to evade military or naval service in the war between the United States and Germany,

declared in 1917. Conviction in any court of any of the charges mentioned shall be conclusive evidence against any person, but any other evidence may be admitted to substantiate the charge.

R. F. Slade, who has recently returned from army service, is again employed at Westermann & Barnett's. Roy Ford, who was at Westermann & Barnett's during Mr. Slade's absence, is employed at Crenshaw & Young's.

Griffith Bates, having received his discharge from the army, arrived home recently from Los Angeles, Calif.

Victor and Robert Johnson, having received their discharge from the army, arrived home Sunday morning.

ENDORSED AT HOME

Such Proof as This Should Convince Any Lexington Citizen.

The public endorsement of a local citizen is the best that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Lexington adds one more to the many cases of Home Endorsement which are being published about Dona's Kidney Pills. Read it.

Mrs. M. Gavin, Sixth St., says: "I used Doan's Kidney Pills for a short time and found them to be successful for the purpose advertised. My opinion of this medicine is a high one."

**Death of Mrs. Lucy Stafford.**  
Mrs. Lucy Stafford died Sunday morning at 10 o'clock at her home near the Sni, of old age and general debility. The funeral was held Monday afternoon. Burial was in Dover.

Mrs. J. H. Hall received a telegram this morning from her son, Pendleton, of Base Hospital Unit No. 2, stating that he had arrived safely from overseas. "Pen" has been in the service in France for the past two years.

Sheman Hosley of Richmond, was taken before Justice Williams Tuesday and fined \$14.65 for disturbing the peace, not having the money, he was sent to jail.

**New Cure for Sick Hogs.**  
A prominent farmer has this novel remedy for diseased hogs: "When my hogs become sick and refuse to eat, instead of dosing them with medicine I load a few of them into a wagon and take them out riding, driving pell-mell over the lots and pastures, seeking the roughest places I can find. After a few such drives, hogs that before refused to eat begin to get better. I have not lost a hog since I began this treatment."—Phillipsburg, Kansas News.

Warren Hill of Comapny "A" 140th Infantry, arrived in Lexington Monday, having received his discharge.
